1. About 200 T34 and JS tanks were seen parked in the woods in the northeastern section of Camp JAMILTZ (O 52/A 59). Some of the tanks were camouflaged with shrubbery. The following motor vehicles were in the camp area: 25X1

 passenger car, flying a red pennant, occupied by a first lieutenant of a tank unit;

 T truck

 Horch, passenger car, six-seater, flying a red pennant, occupied by a colonel and a captain of a tank unit.

2. About 30 tanks were observed in firing practice formation at the tank firing range of REICHERSKREUZ (O 53/V 60). The same tanks had been seen by local residents as they passed through STAAKOW (O 52/A 59), en route to the range on the preceding day.
